### Benefits

#### Safe and healthy

Green Label Plus certified ensuring that you are purchasing the very lowest VOC-emitting products on the market  
Improves indoor air quality by trapping particles, removing them from the breathing zone and reducing their circulation  
Slip Resistant  
Cushion falls and reduces the risk of injury  
Soft to the touch but also for the body thanks to its shock absorption capacity which helps limit damage to muscles and articulations

#### Environmentally-Friendly

Our carpets are made with clean energies such as hydro-electricity and natural gas  
All of our carpets are made with solution-dyed fibers a process that reduces significantly our water consumption.

#### Best-in-class Warranty

30 Days No Questions Asked Replacement

#### Limitless designabilities

One of the most versatile floor coverings because you get to choose from a wide range of colors and textures  
This mix of loop and cut pile creates stunning patterns that everybody will notice

#### Warm, quiet and comfortable

Without a doubt, the most comfortable flooring  
Incredibly soft and warm to the touch  
Greatest soundproofing and insulating properties  
Reduces heat loss

#### Stain resistant & easy to clean

Treated with SoilScreen to keep soil on the surface making your carpet easier to clean  
Made with solution-dyed polyester, a fiber inherently resistant to stains  
Pet Stainproof – Beaulieu's promise that your carpets will be protected from your pets' mishaps  
Stainproof for life meaning you're buying a carpet that offers lasting stain resistance
